Hi Heather-

I am fairly certain it was made available to all the cooperating agencies, but I honestly can't recall when/how it was disseminated by the Corps. In any event, it is available to all of the cooperating agencies on AECOMs Chuitna extranet site, which is where I downloaded it. Thanks.

Hi Jamey, thanks for sending us the September 2013 Wetland and Waterbody Functional Assessment. Has it been distributed to the other federal agencies?

Will get an agenda together for everyone this afternoon. Best, Heather
